## FUN-FILLED FAMILY ENTERTAINMENT

**BOERNE, TX – February 12, 2015.** After a sold-out house for the Canadian Brass in January, Boerne Performing Arts is looking to change things up a little with a family show that will delight children of all ages! In Boerne, Texas, you say? Well of course! As Boerne Performing Arts continues to bring the world of professional performing arts to this small hill country community, this first-ever appearance by Chinese acrobats broadens the horizons and expands the opportunities to the Far East, much like the taiko drummers of Japan did in 2012. Each year, the organization continues to expand their offerings

and this high-energy experience will include the razzle, dazzle of bright colored costumes, elaborate lighting, and technical talents of the traveling troupe of acrobats.

The numerous sponsors have made this colorful display of international talent possible for this evening at the circus! Authentic Custom Homes LLC, Jefferson Bank, The GVTC Foundation, Boerne Kendall County Economic Development Corporation, The Boerne Star, and H-E-B have all provided support for this evening show along with a special FOR KIDS program that will be held during the school day that will benefit over 1,000 local students from Boerne, Bandera, Comfort, and Fredericksburg. To date, over 10,000 students have experienced a special school show by visiting artists at no cost to any of the students, thanks in part to these dedicated sponsors.

With centuries of tradition under their belts, the New Shanghai Circus continues to thrill audiences around the world – and the community of Boerne will be no exception! The auditorium provides an excellent view of the stage from every seat in the house...and we are sure you will want to “join in the parade” of circus-goers along with your friends and neighbors from the community.

Go head over heels...and get your tickets to this once-in-a-lifetime event!
