The Majestic Ranch Arts Foundation is fulfilling its mission of promoting and supporting arts in Boerne and the surrounding Hill Country through this generous donation. Boerne Performing Arts will be administering the scholarship program with the financial support of the Majestic Ranch Arts Foundation.

Boerne Performing Arts presently impacts approximately 3,000 students each year through their extensive FOR KIDS programs whereby local students can attend an in-school performance, at no cost to the students, by the professional visiting artists. Local students also have the opportunity to display their visual arts while performing arts students perform in the lobby for every Boerne Performing Arts event.

For consideration of either the Visual Arts or the Performing Arts Scholarship, students must be in their senior year of high school (2015-2016), planning to pursue a degree in Fine Arts at a college, university or fine arts school. Students must be a resident of OR attending high school in Kendall, Bandera, or Gillespie County. The application will be a two-part process, with the application form due February 26, 2016. An audition/jury will take place on March 5, 2016 to complete the application process.
