INTERNATIONAL AMBASSADORS OF BRASS

BOERNE, TX – January 15, 2015. Canadian Brass Co-Founder and Tuba Master, Dr. CC (“Chuck”) Daellenbach was recently appointed to the Order of Canada, the Country’s Highest Civilian Honour. On December 26, 2014, the Governor General of Canada announced this appointment as recognition of Chuck’s lifelong works as Canadian Brass’s co-founder, and his critical role as a performer, mentor and entrepreneur.

Mark your calendars and get your tickets for January 30th – the night Boerne, Texas, goes “big time” when it welcomes Canadian Brass! Tickets available at www.BoernePerformingArts.com or by calling 830-331-9079. Showtime will be at 7:30 p.m. at Boerne’s state-of-the-art Champion Auditorium (201 Charger Boulevard). Adult Tickets: \$30-\$60. Student Tickets: \$20.

In 1970, building on his intense love of brass chamber music, Chuck initiated an entirely new trend for formal concerts. Previously, performers and audiences were considered separate entities – Chuck fearlessly brought them together with wit, charm and creativity. Once criticized for talking to his audiences and including them in the performance process, the concept of establishing a bond between performer and audience has now become virtually obligatory.

A highlight of his career? Two “command” performances for the Queen of England!

One of the best things that can be said of Canadian Brass is that it’s a group for everybody and every musical taste. Not only do these five exceptional musicians play from their extensive classical repertoire, but they delve into jazz, contemporary concert music and popular songs as well. And, of course, they have created their own musical world by transcribing, arranging and commissioning more than 200 works.

That said, Canadian Brass has developed such a unique character and rapport with audiences that many other ensembles have emulated them. The members of Canadian Brass master the gamut of concert presentations – from classical concerts to music served up with lively dialogue and theatrical effects. No matter what the style, the music is central and performed with utmost dedication and excellence.

Making this evening of musical mastery possible, Boerne Performing Arts would like to recognize the local sponsors for this event: Authentic Custom Homes, Boerne Convention and Visitors Bureau, Frost, Hearts' Home Acoustics, and Hill Country Memorial-Boerne. Carol Schultz, President of Boerne Performing Arts, states, "The dedication and vision of these local businesses in bringing the world of professional performing arts to Boerne, provides both educational opportunities for local students along with world-class entertainment for both residents and visitors to the community. These programs would not be possible without the support of these corporate sponsors."

With four decades under their belts, Canadian Brass continues to thrill audiences around the world – and they don't look like they are letting up anytime soon! Visit their website at www.CanadianBrass.com for more detailed information about these musical superstars.
