

## BOERNE CELEBRATES HOLLYWOOD STYLE

**BOERNE, TX – January 26, 2016.** “Hooray for Hollywood” and join in the festivities of a Red Carpet Event as Boerne Performing Arts brings back musical memories of the great Hollywood classics performed by one of the premier pops orchestras in the world. Recently completing a tour of the Far East, the orchestra will begin their US Tour in Boerne, Texas.

The Hollywood Concert Orchestra is best known for its special musical arrangements of both current and classic movie themes. In addition to music from Superman, Spiderman and James Bond...classic selections from My Fair Lady, The Sound of Music and The Wizard of Oz will be included in their program. Silvia Vannoy (soprano) and Eamon Pereyra (tenor) will join the orchestra performing hits from West Side Story and Phantom of the Opera.

*The Hollywood Concert Orchestra has graced the stage of some of the finest venues in the world, and on Saturday, February 6, this world famous orchestra will bring some Hollywood glamour to our community. Boerne Performing Arts will be rolling out the red carpet evening as they celebrate the start of their fifth anniversary season with the orchestra's program, "A Night at the Oscars!"*

Boerne Performing Arts is celebrating the start of their fifth season, and is incorporating a red carpet event to accompany the concert. Cheryl Ladd, of Charlie's Angels fame, will emcee the evening's events along with co-chair of the committee, Karen Hunke. Cheryl is an active Board Member of Boerne Performing Arts, and she is looking forward to sharing her "Hollywood" expertise with the committee members in creating a Hollywood "feel" for the evening.

Members of the Boerne Community Theatre Teen Troupe will be in costume impersonating Hollywood celebrities...so you might have the opportunity for a “selfie” with Marilyn Monroe, Elizabeth Taylor, Charlie Chaplin or Shirley Temple. Patricia Hausman, Youth Programs Director for Boerne Community Theatre, is coordinating the teen troupe to create a fun-filled evening of “A Night at the Oscars!”
