

THE TEN TENORS...in WISH YOU WERE HERE!

BOERNE, TX – February 12, 2018 – Arguably Australia’s most successful international touring act with 20 countries to their touring credits, The TEN Tenors will kick off their 2018 North American Tour right here in Boerne on Tuesday, February 20th, celebrating their new album, “Wish You Were Here”! A tribute to iconic artists who have left us too soon including Prince, David Bowie, Michael Hutchence, John Lennon, Amy Winehouse, Roy Orbison, and more, the album marks the 20th Anniversary of touring for the formidable Aussie group!

Fun, impressive and with enough energy to power half a city, The TEN Tenors bring to the USA their explosive 20th anniversary show, straight off the back of a stellar national tour across Australia in 2017. The musical arrangements are slick, fresh and expertly performed: the stadium-feel of the show helping the audience to get carried along by the infectious energy of the group.

The TEN Tenors “were rehearsing Bowie’s iconic ‘Heroes’ in Melbourne for the very first time when news filtered through of his death,” said The TEN Tenors producer D-J Wendt. “It had a marked impact on the group and performing that song has taken on a whole new meaning. On tour, just a few months later, we were impacted by the loss of another icon, Prince, and as 2016 continued we knew our next album should pay tribute to these iconic artists who have departed before their time. We wanted to rise above the sadness to create a musical celebration of their lives and legacies.”

This marks the third performance by The TEN Tenors during Boerne Performing Arts’ seven-year history...with the first two shows being performed to sold-out audiences. During their recent Christmas Show tour, the group broke box office records in Palm Springs with eight consecutive sold-out shows at the imposing McCallum Theatre, breaking a thirty-year record held by Johnny Mathis.

Their new album, *Wish You Were Here*, has already climbed to the Number 1 position on the charts in Australia. The group has previously released thirteen albums including the platinum smash “Tenology”. They have played alongside such greats as Andrea Bocelli, Christina Aguilera and Keith Urban and become one of Australia’s best-loved international musical icons.
