This festive production will walk your entire family through a musical winter wonderland that truly captures the essence of the holidays. The power of ten vocalists, backed by a stellar band, is sure to bring joy to your holiday season. This holiday extravaganza is a special event and requires a separate ticket from the season tickets. Put this on your Christmas Wish List...December 15, 2018...one performance only!

The 2019 season will feature three new artists, coming to Boerne for their first time. Tickets for these three performances are available as single events (\$30-\$40-\$60), or as a season ticket package (\$75-\$100-\$120). The 3-concert package offers substantial savings over individual ticket prices, and guarantees the same seat for all three performances. Special student pricing is available at \$20 for individual tickets or \$50 for the three-concert series.

Trinity Irish Dance Company will literally “kick” off the 2019 season with a fusion of Ireland’s vibrant and longstanding dance-form combined with elements of American innovation. This company dazzles audiences worldwide, and has been described by The New York Post as “Totally winning, witty and sassy!” Irish Dance involves fancy footwork with a hard-driving percussive power, aerial grace including leaps where the dancers appear to float across the stage, and lightning-fast agility that is mind-boggling! Trinity’s presentation is everything you expect, but like nothing you’d imagine, as they take this traditional art form to a new level of artistic excellence. May the luck of the Irish be with you on Friday, February 22, 2019.

Would you like to experience a performance by a group that has performed for the Queen of England?
