Celebrated for their colorful repertoire, breathtaking arrangements and powerful live performance, The TEN Tenors respectfully tip their hats not only to the great classical composers, but also to contemporary music's most popular artists. The TEN Tenors "Home for the Holidays" show is guaranteed to surprise and delight in equal measure.

Amidst their own explosive live concert experiences and remarkable achievements including six platinum and gold records and over 3.5 million concert tickets sold, The TEN Tenors have also performed alongside countless music legends including Andrea Bocelli, André Rieu, John Travolta, Nicole Kidman, Geoffrey Rush, Keith Urban, Rod Stewart, Alanis Morissette, Sarah Brightman, Willie Nelson, Katherine Jenkins and Christina Aguilera.

They're no strangers to television either, with iconic appearances on some of the world's biggest broadcast events including performing exclusively for chat show queen Oprah Winfrey, appearing on the Jerry Lewis MDA Telethon for an audience of 32 million viewers, and Poland 2012 UEFA Cup in Warsaw.

Long-time member and current Touring Musical Director, Michael Edwards, says "So many people come to our show the first time expecting arias or standard crossover repertoire...but it only takes one song for them to realize this is not like any other tenor show out there and they better be ready to laugh, cry and party like they are at a rock concert!" Michael will be making his third appearance in Boerne.

The group's producer, D-J Wendt adds, "We like to think audiences come to our show to hear arias and classical pieces, we will always give you a little of that but be ready to have fun and party with ten very good natured Aussie blokes that know how to have fun, but more than that, know how to create an ensemble sound like no other group can achieve".
