

VOCTAVE TO OPEN BOERNE PERFORMING ARTS NINTH SEASON

BOERNE, TX – November 1, 2019. Tickets lines are now open for Boerne Performing Arts' HOT-HOT-HOT ninth season of bringing the world of professional performing arts to Boerne! 2020 Season ticket sales broke all previous records and approximately 300 tickets are now available online to purchase as a single ticket (\$30-\$40-\$60 and \$20 for students) or as a season ticket package (\$75-\$100-\$170 and \$50 for students). Quality, lots of variety, and an appeal to audiences of all ages continues to be a trademark of Boerne Performing Arts...and this season will be no exception!

Boerne Performing Arts will ring in 2020 with one of the hottest vocal groups on the market! VOCTAVE! Bleep™, an online record company based in London, states "At a time when a cappella music is more mainstream than it's ever been, the vocalists in Voctave harken back to the early sounds of Disney movie choirs, something timeless and classic!" -Bleep™. Having recorded with such stars as Kristin Maldonado (Pentatonix) and the Vocal Majority (Dallas), this top-tiered vocal ensemble boasts artists that are all employed with Walt Disney Entertainment who have created Voctave out of their sheer passion for music and performing.

With over 100 million views on You Tube and Facebook, Voctave is a rising vocal ensemble from Central Florida that has roots with Walt Disney Entertainment. Known for their gorgeous performances of Disney and Broadway hits, their repertoire ranges from gospel to pop to musical theater! Their show, "The Corner of Broadway and Main Street", promises to be a magical evening of Disney and Broadway showstoppers!

The man behind Voctave, Jamey Ray, has an incredible knack for arranging vocals. He credits the "crazy talented" people that are singing his arrangements for this success and while he claims the blend and mix of the voices are stunning, "the sopranos are other worldly!" Soprano Tiffany Coburn describes her 20-year singing career with Disney, "I love what we do! As a performer at Disney with the Voices of Liberty, we represent patriotism and the love of a great country. We get to do this in a beautiful way that tugs at people's emotions! I love music and I love live performance and I love the energy we produce as Team Voctave!"

You won't believe your "a cappella ears" as Voctave stretches the vocal range of these eleven singers on Thursday, January 30, 2020, at 7:30pm at Boerne Champion Auditorium.

The 2020 season will continue with a mind-blowing tap dance show featuring five Aussies from "down under" on Tuesday, March 17. Inspired by the infamous "Rat Pack" (Frank Sinatra, Dean Martin and Sammy Davis Junior), The Tap Pack is a high-energy performance that storms the stage bringing a new, invigorating energy to a timeless style. Closing out the HOT-HOT-HOT season is Momix, a group of dance illusionists that have performed on television commercials for Mercedes-Benz, Target, and Hanes. Combining athletic dance, riveting music, outrageous costumes, and unbelievable illusions, this company will defy gravity with their creativity on Tuesday, April 7.
